

REGULATION 2025

VISA C33 - 2025 dated 28/01/2025

Details - 2025 SPORTS REGULATIONS

4 -2.1.3 Wheels and tyres

By virtue of article 4.2.1.3, article 4.2.1.1 is amended as follows:

In response to the wish of competitors to be able to use several sets of slick tyres for safety reasons, a moratorium has been decided until the end of the 2025 season on the number of sets of tyres that may be used. The number of slick tyres is not limited.

Everything else mentioned in article 4.2 has been modified and the number of slick tyres is therefore unrestricted.

Details - TECHNICAL REGULATIONS 2025

Texts:

7.2 - Tyres

7.2.1 - Cars must be fitted with tyres supplied by the supplier designated by the operator. They will be free only in the event of unavailability.

7.2.2 - The production codes, the engraved marking of the grade of rubber and the marking applied by the Trophy organiser must remain visible and legible.

7.2.3 - Modification : Heating/heat retention devices are authorised without limitation.

The Official supplier designated for the season for the PIRELLI brand is :

IVALTO : 04 37 41 74 34 - Mail : contact@ivalto.com

Consequently, all cars must be equipped with PIRELLI products from the official supplier and bearing its visible and legible marking, except in the event of unavailability noted by the organisers of the trophy.

In order to benefit from stock priority, when ordering the buyer must identify himself to the official supplier by specifying that he is taking part in the Formula GP Trophy, the vehicle number and the team in which he is racing.
